# MADE FOR THE GAME™

# CREATING SPORTING GOODS SINCE 1876.

Spalding es la primera empresa dedicada al deporte de clase mundial en equipos deportivos para cada atleta en cada estadio, camino de entrada, y ciudad alrededor del mundo. Cuando las reglas oficiales para muchos se publicaron deportes, se leía, **"pelota hecha por Spalding, será el balón oficial"**.

Desde entonces, jugar con Spalding el equipo es la forma en que se debe jugar el juego. Spalding ha sido parte de la creación de los más icónicos y momentos inolvidables en la historia del deporte.

En todo el mundo, hemos encendido la confianza interna de que vive en los atletas en todos los niveles, y creado inquebrantable conexiones entre jugadores, compañeros de equipo y comunidades.

Si bien la creatividad de A.G. Spalding ayudó a establecer el juego y establecer las reglas, la marca es ahora una plataforma para que otros creen su propio legado.

## VALORES DE LA MARCA

### INNOVACIÓN

Al creer en la necesidad de reinventarse todos los días, Spalding ofrece productos innovadores para hacer mejores a los atletas y hacer más accesible al deporte.

### CALIDAD

Spalding tiene un historial de calidad y hacemos historia todos los días.

Ponemos las necesidades y ambiciones de los atletas primero, a través de productos innovadores y de calidad mundial que ayudan a los atletas a elevar su juego.

### COMUNIDAD

Spalding se dedica a crear productos significativos y conexiones que apoyan la igualdad, elevan las comunidades y empujan la cultura del deporte.

### ALEGRÍA

Junto con el impulso competitivo que Spalding desencadena en los atletas, nunca perdemos de vista la diversión del juego. Somos la pura alegría y el amor por el juego, la cual crea una conexión compartida entre jugadores, equipos, y comunidades.

## MISIÓN

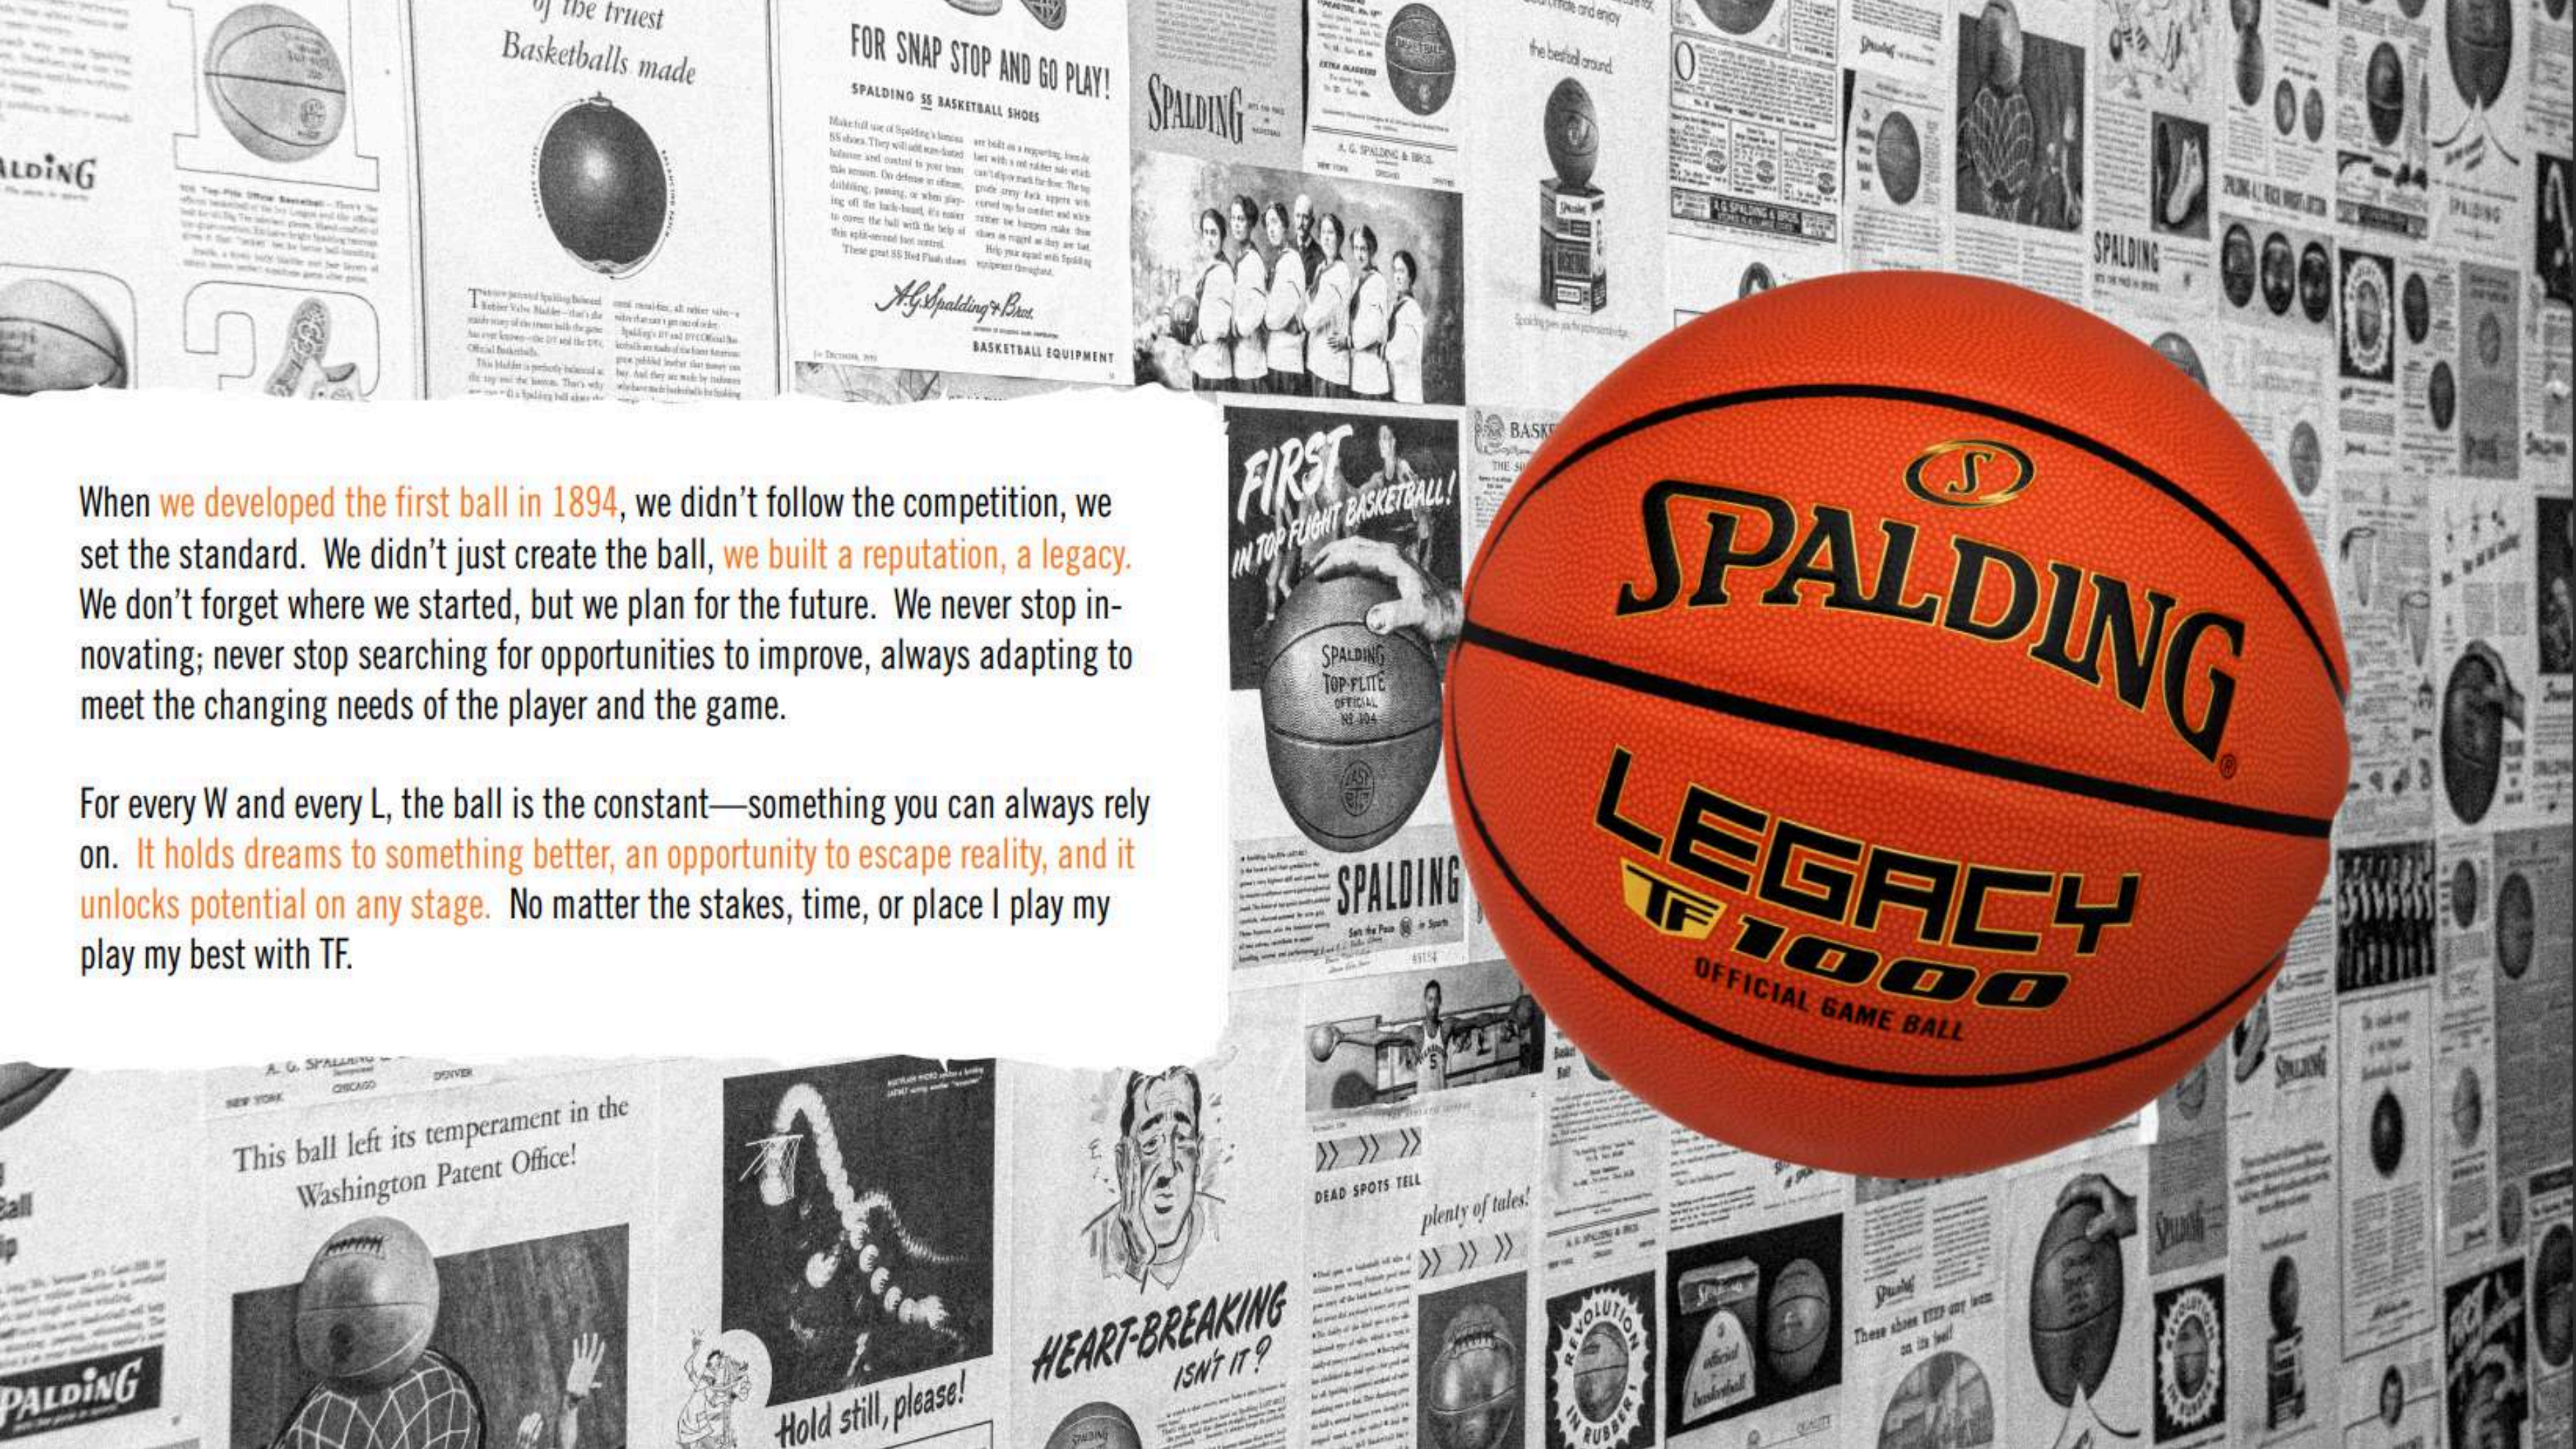

Ser la opción número 1 de nuestros consumidores con un precio retail competitivo

## VISIÓN

Ignite the soul of the game in everyone

When we developed the first ball in 1894, we didn't follow the competition, we set the standard. We didn't just create the ball, we built a reputation, a legacy. We don't forget where we started, but we plan for the future. We never stop innovating; never stop searching for opportunities to improve, always adapting to meet the changing needs of the player and the game.

For every W and every L, the ball is the constant—something you can always rely on. It holds dreams to something better, an opportunity to escape reality, and it unlocks potential on any stage. No matter the stakes, time, or place I play my play my best with TF.
